

# I LOVE GIVING!

My gift is a way of saying "thanks" for all that I have.

My name is:

...and this year I plan to give in this way  
(you can write or draw a picture):

Some examples of ways I can give:

- I want to be more helpful at home.
- I want to help at church.
- I want to share more with my friends.
- I want to give away some of my toys.
- I want to care for the earth by turning out the lights when I leave a room.
- I want to share some of my allowance with the church.
